ESOTERIC ASTROLOGY AS NEWS FOR WEEK JANUARY 2 – 8, 2019

The New Year Signs in the Heavens

We begin the new year with Mars entering Aries (new realities, new endeavors), two eclipses (the old ways disappear), a new moon, and Uranus (disruption, surprises, new rhythms) turning direct headed towards Taurus (March) which means the economic

(March) which means the economic reorientation will then move into full swing. The new year will definitely bring forth unusual changes, surprises, shifting weather patterns and the reset of the world economy.

In the Chinese zodiac, 2019 is the year of the Earth Pig which means an abundant year, even amidst change. The planetary influences this year, especially Uranus in Taurus (economic revolution, a changing economic revolution, a changing economic landscape) will create great shifts in our awareness allowing for a greater perspective, adjustments and a wider world view. An exponential curve of

mew realities will unfold.

Many of us will choose a different perspective and direction. Decoding reality differently. We may surprise ourselves. Monday, (Jan 2) Sun joins Saturn. Illuminating the Rule of Law oversees our new near. Rule of Law, oversees our new near. Rule of Law, discipline, structure, bringing back the standards (gold - Sun) on which to base our money. Gold - confidence builder. Not in Fort Knox anymore. Somewhere else safe. As the economic situation changes. Looking towards a new prosperity pivoting the US into a new prosperity, pivoting the US into a

new state of prosperity.

Saturday (Jan. 5) is a Total Solar
Eclipse, new moon in Capricorn.

transformation joins the new moon transformation joins the new moon which brings us the new realities of Checks and Balances (no more manipulated debt, humanity will say). Uranus in Aries (all things new), ends its retrograde Sunday (Jan. 6), and moves forward to re-enter Taurus in March. The system of brainwashing is March. The system of brainwashing is over, Saturn, Uranus & Pluto tell us, creating a tension and the 1st Initiation for humanity. A whole new world lies ahead. Restoring the Law of Heaven on Earth. Be open minded, adaptable, allowing nothing to disrupt your sense of peace. This will be a test for you. But you're used to tests, Scorpio. Call forth your self-control. It saves you.

SAGITTARIUS: We can at times feel lost in the darkness, in this Kali Yuga time. However, we have the ability to transform the darkness into light weaving into our lives a sense of holiness and connectivity with the sky and earth, sun and rain, and with the people we encounter each day. Sagittarius is the sign of Silence. When we remain in silence, we hear a still small voice inside returning us to what is essential and to the moment when the light returns. Saturn brings good things, slowing things down for you to enjoy life more. Saturn also brings maturity and the ability to have pride in yourself. You savor life and all that life has given you. Share your dreams and aspirations and imagine yourself fabulous!

AQUARIUS: Serenity is the keynote to your coming new year. Happiness, confidence and times of joy bring tranquility to your life. The home situation remains moveable, changeable, shifting here and there. This keeps you flexible for the unusual times to come. Stability will come forth for you in time. Meanwhile, think of the new year as a fresh planetary breeze opening you up to new opportunities, new attractions and unusual experiences. Love, maybe, too.

PISCES: New learning and new levels of communication, somewhat like thunderbolts, enter your life. The new year may feel like you're in a dream. Music, healing, art, poetry, dance, photography, films form a pattern of offerings. It's important to state boundary needs or a situation can get out of control. Do not allow harmony to descend into chaos. A richness of friendships and opportunities enter your life for good. You are the White Magician.
