Till then, we have December dedications centered around Light – Advent & the recently ended Hanukkah – and the rider on the white horse. And a Mercury now direct as it just re-entered Sagittarius.

December is dedicated to Advent Vlatin word.

December is dedicated to Advent, \Latin word "adventus" meaning "something's coming" (winter solstice, Sun turning northward, new light, holy child's birth, revelation). For four weeks we light candles representing hope in the weeks we light candles representing hope in the dark half of the year. All December's religious festivals are festivals of preparation, (re) dedication and the kindling of (our) light (hope, promise) within the darkness (of matter).

We are in the time of Sagittarius, symbolized by the archer on the white horse. Sometimes introduced to the contravention of the con

pictured as the centaur with bow and arrows symbolizing the duality of human and divine

As humans we carry a multitude of realities, polarities, glamours and illusions, which fall away slowly, one by one, as we progress upon the Path of Light. Sagittarius is the sign of Silence. In that silence we are asked to discern and then just be silence we are asked to discern and then just be with all that is good & truthful. Sagittarius is seen in symbols form in Revelation 6.2 - there is a going forth, a reconnecting with all duality & focusing it into the pure light.

ARIES: You're out and about, in and of the world. All the world, its people, events, food, travel, adventures, mountain peaks, plains, cultures, civilization – call you to participate. Perhaps you'll consider writing a book, perhaps publishing becomes interesting or travel. Think deeply on your goals. Create more. Ponder upon this statement, "I see the goal, I reach that goal

and then I see another."

TAURUS: I ask that you also think on the statement at the end of Aries. And then observe the many and varied goals, dreams, hopes & wishes that filter through your mind each day. There's not enough time, day or night, to accomplish all the inside and outside work, preparation and plans before you. There's also the issue of money, which may be uncomfortable, yet is most important to consider. You have many

closest to you. The last new moon's silver path shines on your relationships, especially one in particular. A new intimacy is being called for. Is it with love, sex, marriage, money, one or all this together? You and another need to travel

somewhere. Make plans.

CANCER: Your health at this time is most CANCER: Your health at this time is most important. Focusing on this, and not much else, is best because you have the capacity to heal more quickly now. Appropriate and healthful foods also must be a focus. You're considering preparing foods to give as gifts? Simultaneously, endless tasks and responsibilities keep appearing. Decline most of them. You need rest good natural light, a plant and a few good books

LEO: You need a bit more adventure, fun, play and being tended to in a most creative way. You need to accept invitations, go to parties and festivities, be with friends, attend plays, art restrictes, be with friends, attend plays, aft shows, galleries, dances, and visit other people's homes. You need both a Christmas tree and a Hanukkah bush with lights and candles everywhere. You need to be loved, cared for, recognized and then loved some more. Who can do this best? do this best?

VIRGO: You're the light bearer to your family this year. You're the one who must connect them one to the other, create festivities of domestic comfort and care. You must begin to plan a large gathering so those who have no family can feel (where you are). You must merge realities that are separated, unify what is opposed, and synthesize all the parts and pieces. You love being given these tasks.

LIBRA: Being out and about in neighborhoods, LISKA: Being out and about in neighborhoods, dropping in on neighbors, driving around town to view holiday lights, charitable parties with friends, unboxing holiday decorations, finding more to trim the tree (Hanukkah bush), seeing relatives, phoning, sending emails, holiday cards, having dinners – you love and cherish these festivities, looking forward to the beauty of the cargon all year. We wish we cauld ion you.

season all year. We wish we could join you.

SCORPIO: For the next several weeks it seems a light is shining upon you. You'll feel lucky, capable, resourceful, wealthy, emotionally supported. Don't run out and buy everything you fancy, anything that sparkles brightly, unless it's for loved ones. Then be laying Houseur most for loved ones. Then be lavish. However, most appreciated would be your heart offered to another. Even simply to a friend. We think of you as internal, hidden, watchful. Give a little more

SAGITTARIUS: All parts of you are active, energetic, hopeful (we hope). You also become a bit more impulsive, quick to anger, impatient, wanting your own way (for a time). We see you as being more assertive, daring like a warrior. You become very attractive. However, be careful with

communicating, driving, walking running, using tools, implements. Things red, hot and sharp (all of which, to some, you are) might attack. You're

laughing. That's good. Caution.

CAPRICORN: You may be in need of rest. Soon you'll need to be out and about in the public more, so take this time to draw back, do less work. You can still plan agendas and consider creative goals. However, don't act upon them immediately, instead make health, rest, and wellbeing your central focus. Allow these thoughts to direct your actions for at least a month. Blend grass-fed whey in raw or nut milk for protein and strength. Add a bit of chocolate, something green (parsley, kale, etc.) a banana and a date or

AQUARIUS: Everything personal and professional has the green light. You have energy and enthusiasm, hopes and wishes along with opportunities and invitations. Amidst the many possibilities, attend only one or two at a time, bringing them to successful conclusions. Then focus on several more. Pay all bills promptly, don't worry about money. You're beginning to

thrive differently, in so many alternate ways.

PISCES: You become more public with leadership qualities naturally emerging. A forum or group recognizes, invites and accepts your gifts of communication, intelligence and knowledge. You prepare. However, you are aware that at any time in the life of Pisces, things dissolve away. So you are hopeful, patient, accepting, yet you're also wary, cautious, circumspect, careful and coiled like a snake in repeatation which is good enough and right (for preparation, which is good enough and right (for
