WINTER SOLSTICE & CHRISTMAS WEEK DEC. 23 – 25, 2018

PEACE ON EARTH, GOODWILL TO ALL

Winter Solstice. Return of the Light. Return of the Sun. End of darkness. Our hearts, our inner sun, oiling, coming alive again. Solstice (Yule) is Fri-
day, December 21st. The Sun is passing through the sign of the Capricorn, and a 3 day pause begins. The Sun is quiet & still (so- sun, still – still 3 days). And then at mid-
night, Christmas morning, the Midnight Sun breaks through the darkness. Christmas is a time for the light. The holy child (the Soul) within our hearts and minds that have been in sleep. The holy child is born. You are adorned with light. The Light. You are adorned with light. The Light. A

So many events this week. Such a complex day is the Solstice – Capricorn Sun, Gemini moon, Venus/Neptune/Pluto/sun (an auspicious time). And Saturday morning a full moon, the last of the year, the Capricorn solar festival at 4:59

degrees. Monday is Christmas eve with Leo moon (sign of the gift of each of us). Tuesday is Christmas day.

The Christmas narrative is familiar. We all know the story of the baby Jesus, innocent child, lap-
ners, a bright star (Seku), and animals all around. No room at the inn, the stable, the manger with hay, angels singing Alleluia. At this solstice Christmas new light time, let us restore Christmas to its spiritual purpose and its distant origins, to its beauty, light and magic, with sacred rituals, prayers and invoca-
tions. And let’s join the angels saying “Merry Christ-
mas, everyone. Peace on Earth, Goodwill to

ALL Love, Lisa

Christmas is a time to moment to moment awareness of all experiences each day and all of who come into your sphere of life. We will share your views (gifts and talents) and they will reflect your talents, too. This is a great revolution. Allow yourself the freedom. Expectations pos

ied in observation to all that is around you. In this silence, new visions, new perspectives and the new realities you have been searching for appear.

TRULY know that plans will change, feelings and emotions too. Memories will be part of the holidays this year and you have many of them. You will sense and feel the special people who are no longer with us. Know that you still love, always remaining close by. You will have new revelations about your work in the world. Perhaps a book, a painting, a new business. Follow the sign

notations and impressions given. GIVEME! Not if traveling then soon you should be. Travel offers prospects and plans that change the course of your life, advancing you into the future. You are recognizing the power of that vision.

And then there is joy. WINTER — This past returns for review. Nothing can stop this. Gradually a new perspective comes about, your heart opens, youraisal, later to anchor creatively in your life. A

AQUARIUS: Perhaps you feel many endings or new beginnings. This way opens new doors, new infor-
mation is given about who you are. Write in the note every day. See how you begin to unfold and express yourself differently. A new coordina-
tion, identity, harmony, courage, compas-

UNMAD: Seek to see yourself in new ways, with new infor-
mation, being more receptive to your life. You should embrace this.

BORDER: The only paper you need to keep you up-to-date on what’s important in your life. A

AQUINUS: Keep track of new ideas, new feelings, new insights.
