Here is how we will feel in 2020. Renew the whirling forces, I stand steadfast. I know them not, for during all your past, they swept me up and down. They were charming, blinded and unwise. From place to place and point to point, they drove me up and down the land and nowhere was there rest. I knew the land was moving and would not move until I know the Law which governs all movement and down the land. I may reverse and turn the many different ways, I face some wide horizons and yet today I stand. I will determine for myself the way to go. Then onward I will move. I will not travel up and down the land nor turn in space. But onward I will move. Old Comment, Esoteric Astrology, Alice Bailey

And guiding us in what to do is this quote from Buckminster Fuller – ‘‘You never change things by thinking the problem out. You never change anything except by changing your state of consciousness.’’
