

**VIRGO – THREE MADONNAS –
ONLY ONE HOLDS THE CHILD –
SIGN OF THE SOUL**

The full moon occurs this week, the solar festival of Virgo along with a lunar eclipse (something in form disappears), Thursday evening, August 27th. Uranus will be involved in this full moon events as it will be shining bright right next to the Sun. So not only will there be shifts and changes due to the eclipse, but with Uranus in the mix, sudden somethings will also occur. It's good to have one's astrology chart nearby so that one can understand what area of life these changes will occur.

Virgo is the sign of the Madonna (Mary holding the Holy Child. Mary is the third of the three feminine archetypes (Eve, Isis, Mary), zodiacally and in the Bible. Each Madonna (represents a developmental state of awareness in humanity.

There is Eve plucking the red apple from the Tree of Knowledge (mental plane - Lemuria). Isis seeking her husband who is lost (Emotions, astral plane - Atlantis). In our present Aryan life-wave (the Thinkers), we have Mary, the mother, the maternal Matrix of form, holding a child. Note it is only Mary who holds a child. The holy child held by Mary signifies the Soul, the vehicle of the Father (Spirit) finally appearing in form and matter (Mary).

The Soul appears to guard and guide humanity, in the same way the Christ appeared during the Piscean Age - to teach, guard, guide and direct humanity towards resurrection - the Path which leads back home, to the Father's house

(our origins).

Virgo is sacred and holy substance, Earth's matter imbued with intelligence. Mary is the purity behind nature and matter itself. Thus we see Virgo holding a stalk of wheat. Virgo is daily life and the Holy Spirit bestowing upon us the sacred virtues.

Virgo is the six-pointed star - the Soul-infused personality. The loving magnetic force field of the Soul (code word for Christ) calls the personality (physical body, emotions, lower mind) to itself. The personality thus fuses and blends with the Will, Love/Wisdom and Divine Intelligence of the Soul. When this occurs, we are able to enter the world as healers, serving all those in need. Mary, as Virgo is the Mother, the Child and the Father. They are (we are when we understand this mystery) One.

ARIES: You become more aware of your self-identity, your creative self and in that recognition you also become more dignified, bolder, cooperating more with ways to nourish and nurture (self and others). Desire for self-adulation becomes an aspiration for others to also be in the spotlight, so their gifts can be seen and recognized. You will be able more and more to detect and diagnose situations and needs. A mystical and occult (they are different) sense overcomes you. You blend the two into a new harmony.

TAURUS: You become zealous for fairness and justice. You seek ways to communicate compromise, conciliate and cooperate. You begin to speak the ways of Compassionate

Communication (non-violent communication). You attempt to refine and harmonize all desires in order to balance all interactions and relationships. You seek out bold and forceful people. Sometimes you're impetuous. You wear red more.

GEMINI: Usually found reading, writing or talking, your energy now focuses on activities that organize, order, categorize efficiently, effectively and practically. You become logical (more so) and the aspiration to be pure and healthy outweighs usual food desires. Cooking and cleaning energetically become an industrious affair. Careful of cuts, scrapes and burns. And mosquitoes.

CANCER: You seek entertainment, make room for children (and childish things), wonder where your childhood playthings went, remember what you left behind and perhaps weep, grieve and lament about it. Some Cancers speculate (gamble) strongly at this time and with a ferocity. The same for Cancer parents. They are ferociously protective of their children and pets. There's lots of drama (crying), playful energies, creative leadership. Happiness.

LEO: You consider what your true inner feelings are toward your family. You find they are conflicted these days and somewhat suppressed. Yet you are very loyal. If you work at home, all of a sudden you see how overworked you are and how overworked your home is, too. And set about changing the environment. Making it more liberated, a bit more traditional. You need architectural Libran beauty.

VIRGO: Your mind is stimulated to such a degree that sometimes you feel heart palpitations. At times you could also experience headaches. Stand in the Sun's light penetrating your shoulders and the back of your neck. The Sun's radiant light enters the body and goes directly to the spleen, which then distributes that light to all parts of the body, uplifting and vitalizing. Allow no conflicts, no arguments. Only peace.

LIBRA: You wake each morning trying to figure out how to gain wealth and material resources so you can achieve a certain important visionary goal. Perhaps to build a house for mother, for the family or for the "family called humanity." You balance between using resources for self and others. You have strong values and work(ed) passionately for them. You fight, battle and at times, defend them. What are those values? Is someone left out?

SCORPIO: The transit of Mars in Cancer belongs to you. The Nine Tests are yours and you experience and recognize them. The Mars tests create mental endurance. They also make you feel like you're dying, resurrecting and regenerating (internally) every moment. You become outspoken, but always you are uncomplicated, speaking the straight truth, which defines you. Each day is different.

SAGITTARIUS: As the days progress notice you becoming sympathetic (more), receptive, affectionate and even more sensitive. The volume of your music is turned up. Anything not in harmony and peaceful you turn away from. You're emotional, you

study what sacrifice means. Sometimes you're sorrowful. You consider reading and writing poetry. Dreams beckons. You walk through that door seeking to help others, unassuming and unrecognized.

CAPRICORN: All of your energy leans toward family and daily ways of serving other. You begin to consider what living in a sustainable organized intentional community would be like. You wonder are there any and could you help create one? You know success is achieved through like-minded collective intelligent action. You seek cooperation at home. Your first community is family and so you teach them first. You then turn outward to assess the world in need. You are the leader.

AQUARIUS: Notice yourself in the weeks to come - further developments of persistence, perseverance and ambition. Along with great practicality and responsibility to carry out actions in a professional and business-like manner. You work hard, over time, to gain position and reputation. Achieving success through long hours, questioning and overcoming obstacles. This is to be applauded, exalted. Good job. Carry on.

PISCES: Your intellect and intelligence become bolder, stronger. You seek adventure, something pioneering, a way of life reflecting your principles and beliefs. Sports, travel, publishing, religions, spiritual pursuits expand your consciousness and motivation. You seek resources to see your visions for humanity come true. Often, being in the world among the masses, you are inspired to teach and uplift humanity. Be careful never to be critical and/or self-righteous. You need to explore and travel with someone who says yes a lot.

Notice is given that by operation of
law at 12:01 a.m. Pacific Time, on
July 1, 2024, the Tax Collector de-

installment plan of redemption if
initiated prior to the property be-
coming subject to the Tax Collec-
tor's Power to Sell.
